# MITTENCUT

FRESH. PREPARED. DONE RIGHT.

## OUR PROCESS

*From the fields to your kitchen. Quality you can count on in every bite.*

### PRODUCE SOURCING & SELECTION

We work collaboratively with leading produce purveyors to source the highest quality, freshest produce available.

### INSPECTION & HAND-CUTTING

Our team inspects every piece of produce by hand. Produce is hand-cut as needed before it enters processing.

### WASHING & DRYING

Before processing, the produce is thoroughly washed and cleaned in our commercial washer.

### MACHINE PROCESSING

Processing can include weighing, grading, destoning, peeling, polishing, decorating, cutting and more.

### MIXING & WEIGHING

Produce blends are mixed to their unique specifications, and all product is accurately weighed before final packaging.

### PACKAGING & DISTRIBUTION

Product is checked by metal detector before final packaging, boxing and distribution to our customers.

### CUSTOM BLENDS & PACK SIZES AVAILABLE

Custom recipes, precise cuts and pack sizes are available to fit your operation.

### PACKAGING OPTIONS

#### Foodservice

Sealed trays and plastic bags of any size, from 2 oz up to 30 lb.

#### Grab-and-Go

12 oz cups

#### Retail

12 oz clamshells
